Executive Director

Division of Water Rights

KENT L. JONES
State Engineer/Division Director

March 2, 2010

Lynn Jensen
3286 North 2200 West
Salt Lake City UT 84116

Dear Mr. Jensen:

On the occasion of your retirement, I would like to take this opportunity, as the State Engineer, to thank you on behalf of the Division of Water Rights, the Distribution Section staff, and the Regional Office staff for your 10 years of service as Water Commissioner for the Lower Jordan River Distribution System.

The position of Water Commissioner is a demanding and sometimes thankless responsibility, and yet, you have always carried the responsibility with dignity and diplomacy. Your involvement with water regulation on the Lower Jordan River has ensured a consistently orderly and equitable distribution of water.

The job of Water Commissioner was made more difficult by the very nature of the lower Jordan River, which has presented many challenges over the years from periods of drought to periods of flooding. Your experience with the river, the area, and the people has allowed you to provide invaluable assistance in meeting these challenges.

Again, our many thanks for the many years of outstanding service you have rendered to the Lower Jordan River water users and to the State of Utah.

Sincerely,

Kent L. Jones, P.E.
State Engineer
